Welcome to Erlanger/Elsmere Independent Schools!

This checklist is meant to assist you in preparing for your child’s upcoming registration. The following items will be needed to enroll your child—if you don’t have any of these items, please talk to your enrollment secretary—we may be able to help!!!

- _____ Student Enrollment/Information/Emergency Contact Form
- _____ Proof of Residency (copy of lease, deed, or current utility bill). Don’t have one of these? That’s OK—talk through your individual situation with any of our enrollment secretaries.
- _____ An official birth certificate for your student. Don’t have one? We can help you secure one.
- _____ Social Security Card (this is optional—you do not need it to enroll your child)
- _____ By the first day of school, your child will need an updated, current immunization certificate presented to the school. For Kindergarten/6th Grade registrants, we also will need a physical, signed off by your child’s doctor, by the first day of school. Don’t have these? Our District Health Center may be able to assist you.
- _____ For Kindergarten registrants, by January of the academic year, you will need to submit proof of a vision exam AND proof of a dental screening/exam to the school enrollment secretary. Don’t have these? Our District Health Center may be able to assist you.

More Information will be provided to you at the school you enroll your child. You may always contact the schools individually for more information:
