

MOBILE MAMMOGRAPHY

Lifesaving Convenience at Your Door

UC Health Mobile Mammography is coming:

To schedule your screening mammogram, call:
(513) 584-PINK (7465).

Just **15** minutes
can save your life.

Screening mammograms are recommended yearly for women 40 and older. Screening mammograms are usually covered 100 percent by most insurance providers. Check with your insurance provider to verify that UC Medical Center is an in-network provider for best coverage.

To ask a question about the Breast Center,
call: 513-584-5678.

Take care of *you*
