Dear EES Parents and Guardians:

Thank you for partnering with us on the NTI days. We know this is a challenging time for everyone. We sure do miss our students! April 6 through April 10 will be Spring Break for all of our students. Students will not be required to complete any assignments during Spring Break. We will reconvene NTI days and the expectations for student work on Monday, April 13th. Currently, NTI Days are scheduled to continue through May 1st.

We do want to send out a strong reminder that no students should be on any of our playgrounds or basketball courts, or on school property, or congregating at all while the state is under this pandemic emergency. If we all do not do our best to practice social distancing and frequently wash our hands, all of the efforts being made to keep others safe will be diminished. If we do not flatten the curve on the spread of COVID-19 students may be out of school even longer.

Please keep our students safe and have them stay home with you as much as possible. For more information on staying safe, our state has updated information and resources for all Kentuckians on the state COVID-19 website at <https://govstatus.egov.com/kycovid19>.

During this time, if you should need any assistance please contact our board office and we will do our very best to assist you. Please take care of yourselves and stay safe and well.

Sincerely,

Kathlyn Burkhardt, Ed.D.
Superintendent
