March 12, 2020

Dear Erlanger-Elsmere Independent Schools Family:

This evening our state leaders requested all superintendents participate in the Governor's Press Conference at 5:00 pm. During that press conference recommended all schools cease in person classes for two weeks. The Erlanger-Elsmere School District will be following this recommendation and will close schools for two weeks starting on Monday, March 16, 2020 through Friday, March 27, 2020. For now, the plan would be for students to return to school on Monday, March 30, 2020. We will continue to consult with our state officials to see if that time needs to be extended and keep you informed.

Please know that ALL school activities will be cancelled during the time period we are out of school. This will include ALL extracurricular activities including all sports competitions and all practices.

We will be sending out more information tomorrow to you that will provide details regarding instruction for our students using the Non-Traditional Instruction (NTI) plans for each of our schools as well as information about providing lunches to students.

Please note that all students should plan to attend school tomorrow, Friday, March 13 as recommended by Governor Beshear. This will allow us to better prepare our students for the expectations of the Non-Traditional Instruction Days (NTI) we will utilize for the next two weeks.

Thank you in advance for your time and partnership.

Sincerely,

Kathlyn Burkhardt, Ed.D.
Superintendent
